MONTHLY FINANCIAL REPORT 3.

CHINO VALLEY INDEPENDENT FIRE DISTRICT STAFF REPORT

DATE: APRIL 12, 2023

TO: JOHN DEMONACO, BOARD PRESIDENT
ALL MEMBERS OF THE BOARD

FROM: DAVE WILLIAMS, FIRE CHIEF

SUBJECT: MONTHLY FINANCIAL REPORT - MARCH 2023

PURPOSE:

Purpose is to present the Chino Valley Fire District's financial activity for the month ended March 31, 2023, and for the fiscal year-to-date in comparison to the Amended budget.

DISCUSSION:

This report provides revenue and expenditure information for the month of March 2023, and for the fiscal year in comparison to the 2022-23 amended budget and the prior year-to-date actual amounts.

Cyclical Nature of District Revenues and Year-End Adjustments

As District revenues are largely cyclical, the majority of District property tax revenues are received during the November/December and April/May timeframes. Readers of the District's monthly financial reports should be cautioned when drawing conclusions regarding total revenues minus total expenses in any given month. Generally, over time, a more meaningful comparison may be drawn between the current and prior year-to-date totals, as well as the year-to-date variances between budgeted and actual financial performance. Additionally, there are a number of required adjustments to the District's financial statements after each fiscal year-end which can have a significant impact on the final numbers for the fiscal year. Over the course of the fiscal year, the attached two-year revenue and expenditure comparison graphs are intended to provide a summary comparison of the District's total revenues and expenditures between the current and prior fiscal year-to-date.

RECOMMENDATION:

It is recommended that the Board of Directors of the Chino Valley Fire District receive and file this financial report.

MONTHLY TREASURER'S REPORT 4.

CHINO VALLEY INDEPENDENT FIRE DISTRICT STAFF REPORT

DATE: APRIL 12, 2023

TO: JOHN DEMONACO, BOARD PRESIDENT
ALL MEMBERS OF THE BOARD

FROM: DAVE WILLIAMS, FIRE CHIEF

SUBJECT: MONTHLY TREASURER'S REPORT - FEBRUARY 2023

PURPOSE:

Purpose of this report is to inform the Board of Directors of current investment activities of the Chino Valley Fire District

DISCUSSION:

Attached is a summary of the cash in bank and District investments. The information is displayed graphically as follows:

Chart 1: Presents a Two Year Overview of Cash Deposits and Unrestricted Investment Funds.

Chart 1A: Presents a One Year Overview of Restricted Investment Funds.

Chart 2: Presents an Overview of Total Cash and Unrestricted Investments beginning January 1996 to date.

Chart 3: Presents an Overview of the Rate of Return from the LAIF account beginning January 1996 to date.

As the District generally observes a "buy and hold" strategy, the District typically holds investments until maturity, unless called by the issuing agency, if applicable. Accordingly, fluctuating market values of the District's fixed instrument investments, while noted in this report, are only realized if these investments are liquidated prior to maturity. Government accounting standards require that the District account for market values below cost, if applicable.

In FY17, the District deposited \$5 million into a Section 115 Retirement Trust and another \$1.4 million after inception. Funds accumulated in the Trust are legally restricted for use in paying down pension obligations. Accordingly, 115 Trust funds are reported in the Treasurer's Report as restricted investments. Chart 1A also includes funds received in February 2022 from the City of Chino Hills under an agreement for construction of Fire Station 68 in Chino Hills. By agreement, these funds are

restricted for construction of the new fire station.

The Sweep earned a posted rate of return of 0.10% as of February 28.

The monthly average rate of return on the LAIF account was 2.624% for February. The daily yield as of March 29 was 2.88%.

RECOMMENDATION:

It is recommended that the Board of Directors receive and file this Treasurer's Report for the period.

**CHINO VALLEY INDEPENDENT FIRE DISTRICT
STAFF REPORT**

DATE: APRIL 12, 2023

**TO: JOHN DEMONACO, BOARD PRESIDENT
ALL MEMBERS OF THE BOARD**

FROM: DAVE WILLIAMS, FIRE CHIEF

**SUBJECT: RESOLUTION NO. 2023-04 APPROVING MID-YEAR BUDGET
ADJUSTMENTS AS BUDGET AMENDMENT NUMBER 2 FOR FISCAL
YEAR 2022-23**

PURPOSE:

Purpose is to review, approve and adopt Resolution No. 2023-04, approving mid-year budget adjustments as Budget Amendment Number 2 for FY23.

DISCUSSION:

Budget development for the 2023-24 Original Budget is well under way. In the meantime, April 1 marks the beginning of the 4th quarter of the current fiscal year and this presents an opportunity to adjust the budget to reflect actual projected financial results for the remainder of the fiscal year.

The attached draft Resolution No. 2023-04 authorizes Budget Amendment Number 2, with a net favorable budget adjustment for FY23 of just under \$1.5 million, based on additional revenues of roughly \$3.2 million, compared to additional net expenditures of about \$1.7 million. The associated details are included in the attached Table One.

The most significant proposed budget adjustments are associated with unanticipated funds expected as a result of a property tax audit that will result in approximately \$1.9 million in favorable adjustments to the Fire District's property tax revenues as well as a related expense of approximately \$500 thousand for the property tax audit contingency cost.

Funds received and associated overtime coverage expenditures as a result of the Assistance by Hire (ABH) agreement with American Medical Response for transport services through October 2022, which was also not contemplated during the original budget development process are also included in this budget adjustment. Additionally, higher than budgeted mutual aid revenue recoveries and coverage costs associated with out-of-area reimbursable incident responses are necessitating budget adjustment

as well.

Also attached is the updated summary FY23 Amended Budget information, incorporating the impact of the aforementioned proposed mid-year adjustments, as well as previously approved budget amendments.

RECOMMENDATION:

It is recommended that the Board review, approve and adopt Resolution No. 2023-04 approving Budget Amendment Number 2 for FY23.

**CHINO VALLEY INDEPENDENT FIRE DISTRICT
STAFF REPORT**

DATE: APRIL 12, 2023

**TO: JOHN DEMONACO, BOARD PRESIDENT
ALL MEMBERS OF THE BOARD**

FROM: DAVE WILLIAMS, FIRE CHIEF

SUBJECT: ALLOCATION OF SURPLUS FUNDS FOR FISCAL YEAR 2022-23

PURPOSE:

Purpose is to review and discuss the allocation of FY22 budget surplus funds and consider the following options: 1. allocate funds toward the reduction of pension liabilities; or 2. defer allocation and appropriate funds for capital projects in the Facility Acquisition and Maintenance Fund; or 3. provide alternative option and direction to staff.

DISCUSSION:

In FY17, the District adopted The Chino Valley Fire District 115 Retirement Trust, an irrevocable Internal Revenue Service Code Section 115 trust for accelerated pension funding. In conjunction with the adoption of the retirement trust, a funding policy was approved which specified that up to one-third (1/3rd) of annual excess revenues, or budget surplus, shall be allocated toward the accelerated reduction of pension liabilities.

The retirement funding policy specifies that fiscal year excess revenues earmarked for accelerated pension funding may be contributed to the District's retirement trust, directly to the California Public Employees Retirement System (CalPERS) on behalf of the District's employees, or in combination to these two funding vehicles.

The District's annual audit was completed and the related Annual Comprehensive Financial Report (ACFR) for the year ended June 30, 2022, was accepted and approved by the Board in December. The District's FY22 ACFR reported annual excess revenues in the General Fund (budget surplus) of \$6,431,658. Of this amount, \$3,320,209 is attributable to one-time COVID Relief Funding received from the State of California which was partially allocated to reduce pension obligations in FY22. Adjusted for this one-time revenue, unrestricted excess revenues for FY22 amounted to \$3,111,449.

In accordance with the surplus policy, the one-third (1/3rd) calculation would generate \$1,037,150 in

additional pension funding this fiscal year. If approved, Staff recommends continuing the practice of a 50/50 split of this amount, with 50% directly to CalPERS as an additional discretionary retirement fund payment, and the other half to The Chino Valley Fire District 115 Retirement Trust. The attached Resolution No. 2023-05 would authorize the funding of these amounts from Unassigned Fund Balance as Budget Amendment Number 3.

Alternatively, the Board may consider deferring this year's allocation in anticipation of significant one-time costs for the construction of Fire Station 68 and the Essential Resource Facility. If it is the Board's desire to reserve these funds for the Station 68 and Essential Resource Facility then staff recommends that the Board designate the 1/3 budgetary surplus funds into the Facility Acquisition & Maintenance fund in the Committed portion of Fund Balance. This action would increase the Facilities Acquisition & Maintenance fund to \$2,205,206 from its current balance of \$1,168,056.

RECOMMENDATION:

It is recommended the Board of Directors review and discuss allocation of surplus funds from the FY22 budget and consider approval of one of the following options:

1. Adopt Resolution No. 2023-05 (Budget Amendment 3) authorizing the allocation of \$1,037,150 from unassigned General Fund balance toward the reduction of pension liabilities.
2. Authorize the allocation of \$1,037,150 for capital projects (Fire Station 68 and Essential Resource Facility) in the Facility Acquisition and Maintenance Fund.
3. Board of Directors to provide alternative option for allocation of surplus funds and direction to staff.

UNASSIGNED GENERAL FUND BALANCE TOWARD THE REDUCTION OF PENSION
LIABILITIES FROM THE FISCAL YEAR 2022-23 AMENDED BUDGET AS BUDGET
AMENDMENT NO. 3**

WHEREAS, the Chino Valley Independent Fire District has closed its books, completed its annual independent audit, and prepared its Annual Comprehensive Financial Report for the fiscal year ending June 30, 2022; and

WHEREAS, the District has determined that its unrestricted net General fund revenues for the fiscal year ended June 30, 2022 amounted to \$3,111,449 after adjusting for one-time revenues and, in accordance with its surplus policy, the District shall contribute approximately one-third (1/3rd) of this amount toward pension obligations; and

WHEREAS, it was not possible to determine these amounts during the budget development process in order to provide for a corresponding budget encumbrance in the Fiscal Year 2022-23 Original Budget; and

WHEREAS, the District has determined that there are sufficient monies available from Unassigned Fund Balance to provide for this budget amendment; and

NOW, THEREFORE, BE IT RESOLVED: by the Board of Directors of the Chino Valley Independent Fire District as follows:

SECTION 1. Budget Amendment No. 3 in the amount of \$1,037,150 is hereby adopted in the Amended Budget for Fiscal Year 2022-23 for reduction of pension liabilities.

SECTION 2. Said funds shall be appropriated from Unassigned Fund Balance.

SECTION 3. Said funds shall be allocated as follows:

3.2 The remaining \$518,575 shall be deposited to the restricted Chino Valley Fire District 115 Retirement Trust.

**SUBJECT: RESOLUTION NO. 2023-06 PROPERTIES DECLARED FOR WEED
ABATEMENT**

PURPOSE:

Purpose of this report is for the Board of Directors to review, approve and adopt Resolution No. 2023-06 identifying properties throughout Chino Valley Fire District (“Fire District”) to be noticed in accordance with Ordinance 2022-01 for weed abatement.

DISCUSSION:

Ordinance 2022-01 prohibits the accumulation of cut and uncut weeds, grass, tumbleweeds, vines, trees, or other vegetation that is capable of being ignited and endangering property. It also declares all native vegetation within the Fire District to be a seasonal and recurrent nuisance. The Fire District’s jurisdictional area is in, or adjacent to, a mountainous/hilly region of southern California and includes areas designated as High Fire Hazard Areas or Very High Fire Hazard Severity Zones as defined by Cal Fire. Because of the Fire District’s location and the prevalence of forest, brush, and grass-covered lands where combustible vegetation abounds, the Fire District must take a consistent and aggressive approach to annual weed abatement.

Attached is Resolution 2023-06, including reference to the list of properties that are declared for weed abatement. Community Risk Reduction will begin Spring inspections of the referenced parcels in early May, and Fall inspections in early September. All property owners found to be non-compliant will be sent a Notice to Destroy Weeds, outlining the actions to be taken; the deadline for compliance; and the availability of a public hearing process to have any protests or mitigating circumstances addressed. The Fire District will hold a minimum of three separate public hearings to allow property owners wishing to address the Board of Directors on this matter; (two separate hearings to protest the Notice to Destroy Weeds issued pursuant to Health and Safety Code section 14890 et seq.; and one to address any issues with the itemized report of the cost of abatement to be paid by the person in violation, pursuant to Health and Safety Code section 14905 et seq.). The public hearings will be held in conjunction with the

specific deadlines outlined in each recipient's notice.

The Resolution also declares that the identified parcels contain seasonal and recurrent nuisances, as defined by Article II and regulated by Section 16 of Ordinance 2022-01. After an initial Notice to Destroy Weeds is issued and a public hearing is held or waived by the property owner, the Fire District may subsequently issue an abbreviated "post card" notice to the property owner identifying that seasonal and recurrent weeds are growing upon the property and may be abated by the Fire District without further hearing, pursuant to Health and Safety Code sections 14900.5 and 14900.6.

All property owners failing to abate the noted hazard by the reinspection date will be subject to an administrative citation and clearance by the Fire District's private contractor.

Included with Resolution 2023-06 is Exhibit "A," which references the list of parcels within the Fire District's jurisdiction that contain weeds or other vegetation that must be abated in accordance with Ordinance 2022-01 and state law. A full list of all parcels, including identifying information such as street address and assessor's parcel numbers, will be available for viewing in person at the Fire District offices, or online at any time by accessing the Fire District's webpage.

RECOMMENDATION:

It is recommended that the Board of Directors review, approve and adopt Resolution No. 2023-06 regarding the declaring and noticing of property owners for weed abatement.

RESOLUTION NO. 2023-06

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CHINO VALLEY INDEPENDENT FIRE DISTRICT REGARDING THE DECLARING AND NOTICING OF PROPERTY OWNERS FOR WEED ABATEMENT

WHEREAS, the Chino Valley Independent Fire District (“Fire District”) is located in or adjacent to a mountainous and/or hilly region of Southern California, and includes areas designated by Cal Fire as High Fire Hazard Areas or Very High Fire Hazard Severity Zone, because the Fire District’s jurisdiction contains or adjoins forest, brush, and grass-covered lands where combustible vegetation is prevalent; and

WHEREAS, pursuant to Fire District Ordinance No. 2022-01, noxious and combustible vegetation shall refer to vegetation that is otherwise neglected so as to become a fire hazard; and

WHEREAS, said vegetation constitutes a public nuisance which must be abated to prevent serious injury to property and to the health, safety, and welfare of residents; and

WHEREAS, all noxious and combustible vegetation within the jurisdiction of the Fire District further constitutes a seasonal and recurrent nuisance, as set forth in Ordinance No. 2022-01, adopted by the Fire District on February 9, 2022; and

WHEREAS, due to the extensive personnel, time, and expertise needed to direct the abatement process, a fee must be charged for administrative procedures and services, as outlined within the Fire District’s adopted fee schedule.

NOW, THEREFORE, the Board of Directors of the Chino Valley Independent Fire District does hereby resolve as follows:

SECTION 1: The properties within the cities of Chino, Chino Hills, and unincorporated areas of San Bernardino County, and which fall within the boundaries of the Chino Valley Independent Fire District, are hereby identified and declared as parcels upon which potential or existing fire hazards constituting a public nuisance exist. The properties for which the Fire District will conduct regular inspections in accordance with state law and Ordinance No. 2022-01 are identified in Exhibit “A” to this Resolution, listed by owner, street address, and assessor’s parcel number.

SECTION II: Should the owner or responsible party for a parcel that is identified in Exhibit “A” fail to abate a public nuisance pursuant to Ordinance No. 2022-01 and state law, the Community Risk Reduction Division is hereby directed to mail a written Notice to Destroy Weeds, including a public hearing date and proposed abatement schedule, to all persons owning properties upon which violations of Ordinance No. 2022-01 are identified, as stated above, at which time the owner or responsible party may attend the public hearing to make any objection or protests to the proposed removal of weeds.

SECTION III: The fees and/or penalties to be charged for the Chino Valley Independent Fire District’s directing of the abatement process for administrative procedures and services is listed and previously approved in the Chino Valley Independent Fire District’s Fee Schedule Ordinance.

SECTION IV: The Board of Directors shall hold a public hearing for the purpose of hearing any and all objections to such proposed removal of vegetation subject to issuance of a Notice to Destroy Weeds, and any associated fees or charges, at a Board meeting, as determined by the Board of Directors. Said public hearing shall be held prior to any proposed removal of vegetation as outlined in the notice sent to the respective property owner. After the hearing on the Notice to Destroy, and upon issuance of the report of costs of abatement incurred by the Fire District, interested property owners will have an additional opportunity to appear at a public hearing before the Board of Directors and make any objections to the report as appropriate.

SECTION V: The Board of Directors shall make rulings on any and all objections raised regarding the proposed removal of weeds and the charges therefore.

SECTION VI: With respect to those properties for which no objection was raised, or for which the Board of Directors overrules any such objections, the Community Risk Reduction Division will commence with the removal of said fire hazard and/or public nuisance after the public hearing, if the hazard has not been abated.

SECTION VII: This Resolution No. 2023-06 is not subject to the provisions of the California Environmental Quality Act (CEQA) because it can be seen with certainty that there is no possibility that the project may have a significant effect on the environment, and will protect persons and property from emergencies caused by the risk of fire, explosion, and earthquake.
