Chino Valley Fire Conducting Three Night Drills

Chino Valley Fire will be conducting a three-night training exercise on Tuesday, October 29, Wednesday, October 30, and Friday, November 1 from 6 p.m. to 10 p.m. at our Training Tower, located at 5092 Schaefer Avenue, in Chino.

Smoke will be visible and there will be an increased presence of fire apparatus in the area. This vital training will give firefighters the opportunity to hone their skills in a challenging, low-light environment that closely simulates real-life emergency scenarios.

Chino Valley Fire is committed to the safety and well-being of the communities we serve. We are continuously training to better serve you.
